This information will be included in the Michigan & National Register of Historic Places designation application to be submitted in 2015.

From the Desk of President Gina Gregory...

What a busy 40th anniversary year! Here are some ways GWBHS has worked this spring and summer to keep local history alive:

- GWBHS was honored with a **Community Achievement Award** at the Michigan Week Community Awards breakfast in May. The event also celebrated the area Wayside Exhibits and Sylvan Lake Garden Club.
- Despite cool weather, **Apple Island Tours** (May 17-18) were a success, providing that annual opportunity for guests to enjoy the Museum and the history of Apple Island.
- The **Keego Harbor Memorial Day Parade** included a group from GWBHS with a Green School bell float, a Peal of the Bell display and historic car. The last time GWBHS was in the parade was over 10 years ago!
- Celebrating Scotch 25 Years Strong was a school district event in June celebrating the 25th anniversary of the current Scotch school. It included the dedication of a bell tower and historic information gathered through the **Peal of the Bell** project.
- The June 7 **National Trails Walk with Wayside Exhibit Signs Dedication** highlighted the collaboration of many organizations, including GWBHS, which led to the installation of historic signs throughout the community.
- On June 21, for the first time in 27 years, GWBHS held a historic homes tour. Sixty-five volunteers and a hardworking planning committee helped make **Living With History: Historic Homes Tour** of Greater West Bloomfield a success.
- In July, GWBHS hosted a team of student archaeologists, led by Dr. LouAnn Wurst of Western Michigan University, for the **2014 Apple Island Archaeology Project**.
- The August Evensong event provided an evening of music and information celebrating the 140th anniversary of Orchard Lake Community Church, Presbyterian.

Don't forget A Civic Celebration: Hands on History & Ice Cream Social coming up on Sunday, September 14 (see page 1 for details). When you are at the Museum, be sure to notice all the improvements inside and out. Recent projects have improved spaces for volunteers to work on writing, research requests, filing, and exhibit creation and installation. We need your help to keep this organization running smoothly. If you are interested in being involved, let us know at volunteer@gwbhs.org.

Check the events list for other great fall events that help us connect with our past. Lastly, please show your support by renewing your membership this fall for 2015. Then mark your calendar for the annual meeting on January 31, 2015. See you there!

Museum Updates

Paul Mellerowicz works to spruce up the Museum exterior to prepare for the 40th anniversary ice cream social and "A Civic Celebration" that will take place on Sunday, September 14 from 1-4 p.m.

Star Wars Exhibit: From the collections of GWBHS board members, Melissa Gilbert and Sue Williams, comes an exhibit from a long time ago in a galaxy far, far away. See this collection of Star Wars memorabilia now at Orchard Lake Museum.
